

Membership Information

Become a Member of Four Counties Garden Club

Welcome and thank you for your interest in Four Counties Garden Club (FCGC).

Our club offers a variety of opportunities to increase our knowledge about gardening from expert speakers to member workshops. We learn from one another and cheer each other on. Four Counties is a friendly, encouraging group that looks to stimulate your interest in garden related activities, share experiences and celebrate each other's talents.

All levels of gardening experience are welcomed!

Our Mission:

Four Counties strives to ensure our members are engaged, educated, and entertained during club gatherings. Membership gives you an opportunity to explore your creativity, work as a team, develop friendships, visit unique gardens in our surrounding communities, learn from experienced club members and perhaps tap into your unknown potential.

What we Do:

- **Educational programs**
- **Community service projects**
- **Club activities** such as workshops, garden tours and club shows where members have the opportunity to exhibit their plants, cuttings, floral arrangements and photographs.

Membership Duties:

- Meetings: The Club usually meets at 10:00 am on the second Tuesday of the months from September through June.
- Members are expected to attend at least five meetings per calendar year plus actively participate in club activities.

How to Join:

- **Attend one of our meetings with a club member:** If you're interested in joining, ask a club member for an application for membership which will be submitted to The Membership Committee for consideration.
- **Complete an application:** The application form gathers information about your special interests or qualifications which then allows us to know how we could enhance your knowledge of gardening and how you can contribute your talents to FCGC. Our experience has taught us that participating in small groups is the best way to get to know each other.
- **Application Review:** Once the application is approved, you are eligible for Provisional Membership status. This time period allows you to get to know us and our club members to get to know you.
- **Work with a Mentor:** The Membership Committee will assign you a Mentor who will share your committee interests of choice, keep you abreast of club happenings and answer any questions you may have.
